**Sub : Coastal Aquaculture Authority (CAA)- exemption of the establishment and operation of coastal aquaculture hatcheries within 200 m from the High Tide Line (HTL)-Regarding**

**Ref : 1. Sub Section 8 of Section 13 of CAA Act, 2005  
2. Minutes of the 65<sup>th</sup> meeting of the Coastal Aquaculture Authority**

1. **WHEREAS** Sub Section 8 of Section 13 of CAA Act, 2005 prescribes the following

"(8) Notwithstanding anything contained in this section, -

(a) no coastal aquaculture shall be carried on within two hundred metres from High Tide Lines; and

(b) no coastal aquaculture shall be carried on in creeks, rivers and backwaters within the Coastal Regulation Zone declared for the time being under the Environment (Protection) Act, 1986 (29 of 1986).

*Provided that nothing in this sub-section shall apply in the case of a coastal aquaculture farm which is in existence on the appointed day and to the non-commercial and experimental coastal aquaculture farms operated or proposed to be operated by any research institute of the Government or funded by the Government:*

*Provided further that the Authority may, for the purposes of providing exemption under the first proviso, review from time to time the existence and activities of the coastal aquaculture farms and the provisions of this section shall apply on coastal aquaculture farms in view of such review".*

2. **WHEREAS** the establishment and operation of coastal aquaculture hatcheries has been included under the activities regulated or permissible in the CRZ areas, ever since, the notification of Coastal Regulation Zone in 1991 under Section 36 of Environmental (Protection) Act, 1986 (Act No. 29 of 1986).
3. **WHEREAS** the recent CRZ Notification of the Ministry of Environment, Forest and Climate Change, Govt. of India GSR 37 (E) dated the 18<sup>th</sup> January, 2019 has also classified the coastal aquaculture hatchery under the activities regulated or permissible in the CRZ -1B areas vide Item no. (vii) Under Subsection 5.1.2, Section 5 under the heading of Regulation of permissible activities in CRZ. Consequently the

## MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE

## NOTIFICATION

New Delhi, the 18th January, 2019

**G.S.R. 37(E).**—Whereas by notification of the Government of India in the erstwhile Ministry of Environment and Forests number S.O.19 (E), dated the 6<sup>th</sup> January, 2011 (hereinafter referred to as the Coastal Regulation Zone Notification, 2011), the Central Government declared certain coastal stretches as Coastal Regulation Zone (hereinafter referred to as the CRZ) under section 3 of Environment (Protection) Act, 1986 (29 of 1986);

And Whereas, the Ministry of Environment, Forest and Climate Change has received representations from various coastal States and Union territories, besides other stakeholders, regarding certain provisions in the Coastal Regulation Zone Notification, 2011 related to management and conservation of marine and coastal ecosystems, development in coastal areas, eco-tourism, livelihood options and sustainable development of coastal communities etc.;

And Whereas, various State Governments and Union territory administrations and stakeholders have requested the Ministry of Environment, Forest and Climate Change to address the concerns related to coastal environment and sustainable development with respect to the Coastal Regulation Zone Notification, 2011;

And Whereas, the Ministry of Environment, Forest and Climate Change had constituted a Committee under the Chairmanship of Dr. Shailesh Nayak to examine various issues and concerns of coastal States and Union territories and various stakeholders, relating to the Coastal Regulation Zone Notification 2011 and to recommend appropriate changes in the said Notification;

And Whereas, the report submitted by Dr. Shailesh Nayak Committee has been examined in the Ministry and consultations have been held with various stakeholders in this regard;

And Whereas, a draft Coastal Regulation Zone Notification, 2018 was issued and hosted in the website of the Ministry of Environment, Forest and Climate Change on the 18<sup>th</sup> April, 2018 seeking comments and suggestions from all concerned;

And Whereas, objections and suggestions received in response to the above mentioned draft Coastal Regulation Zone Notification, 2018 have been duly considered by the Central Government;

Now, therefore in exercise of the powers conferred by sub-section (1) and clause (v) of sub-section (2) of section 3 of the Environment (Protection) Act, 1986 (29 of 1986) and in supersession of the Coastal Regulation Zone Notification 2011, number S.O. 19(E), dated the 6<sup>th</sup> January, 2011, except as respects things done or omitted to be done before such supersession, the Central Government, with a view to conserve and protect the unique environment of coastal stretches and marine areas, besides livelihood security to the fisher communities and other local communities in the coastal areas and to promote sustainable development based on scientific principles taking into account the dangers of natural hazards, sea level rise due to global warming, do hereby, declares the coastal stretches of the country and the water area up to its territorial water limit, excluding the islands of Andaman and Nicobar and Lakshadweep and the marine areas surrounding these islands, as Coastal Regulation Zone as under:-

- (i) The land area from High Tide Line (hereinafter referred to as the HTL) to 500 meters on the landward side along the sea front.

Explanation. - For the purposes of this notification, the HTL means the line on the land upto which the highest water line reaches during the spring tide, as demarcated by the National Centre for Sustainable Coastal Management (NCSCM) in accordance with the laid down procedures and made available to various coastal States and Union territories.

- (ii) CRZ shall apply to the land area between HTL to 50 meters or width of the creek, whichever is less on the landward side along the tidal influenced water bodies that are connected to the sea and the distance upto which development along such tidal influenced water bodies is to be regulated shall be governed by the distance upto which the tidal effects are experienced which shall be determined based on salinity concentration of five parts per thousand (ppt)

**4. Prohibited activities within CRZ.-** The following activities shall be prohibited, in general, within the entire CRZ and exceptions to these and other permissible and regulated activities in specific CRZ categories viz. CRZ-I, II, III and IV, shall be governed by the provisions of paragraph 5:-

- (i) Setting up of new industries and expansion of existing industries, operations or processes.
- (ii) Manufacture or handling of oil, storage or disposal of hazardous substances as specified in the notification of the Ministry of Environment, Forest and Climate Change number G.S.R.395 (E), dated the 4<sup>th</sup> April, 2016.
- (iii) Setting up of new fish processing units.
- (iv) Land reclamation, bunding or disturbing the natural course of seawater except for the activities permissible under this notification and executed with prior permission from the competent authority.
- (v) Discharge of untreated waste and effluents from industries, cities or towns and other human settlements.
- (vi) Dumping of city or town wastes including construction debris, industrial solid wastes, fly ash for the purpose of land filling.
- (vii) Port and harbour projects in high eroding stretches of the coast.
- (viii) Mining of sand, rocks and other sub-strata materials.
- (ix) Dressing or altering of active sand dunes.
- (x) In order to safeguard the aquatic system and marine life, disposal of plastic into the coastal waters shall be prohibited and adequate measures for management and disposal of plastic materials shall be undertaken in the CRZ.
- (xi) Drawal of ground water.

#### **5. Regulation of permissible activities in CRZ:**

##### **5.1 CRZ-I:**

##### **5.1.1. CRZ-IA:**

These areas are ecologically most sensitive and generally no activities shall be permitted to be carried out in the CRZ-I A area, with following exceptions:-

- (i) Eco-tourism activities such as mangrove walks, tree huts, nature trails, etc., in identified stretches areas subject to such eco-tourism plan featuring in the approved CZMP as per this notification, framed with due consultative process, public hearing, etc. and further subject to environmental safeguards and precautions related to the Ecologically Sensitive Areas, as enlisted in the CZMP.
- (ii) In the mangrove buffer, only such activities shall be permitted like laying of pipelines, transmission lines, conveyance systems or mechanisms and construction of road on stilts, etc. that are required for public utilities.
- (iii) Construction of roads and roads on stilts, by way of reclamation in CRZ-I areas, shall be permitted only in exceptional cases for defence, strategic purposes and public utilities, subject to a detailed marine or terrestrial or both environment impact assessment, to be recommended by the Coastal Zone Management Authority and approved by the Ministry of Environment, Forest and Climate Change; and in case construction of such roads passes through mangrove areas or is likely to damage the mangroves, a minimum three times the mangrove area affected or destroyed or cut during the construction process shall be taken up for compensatory plantation of mangroves.

##### **5.1.2 CRZ-I B - The inter tidal areas:**

Activities shall be regulated or permissible in the CRZ-I B areas as under:-

- (i) Land reclamation, bunding, etc. shall be permitted only for activities such as,-

- (a) foreshore facilities like ports, harbours, Jetties, wharves, quays, slipway, bridges, hover ports for coast guard, sea links, etc;
- (b) projects for defence, strategic and security purposes;
- (c) road on stilts, provided that such roads shall not be authorised for permitting development on the landward side of such roads, till the existing High Tide Line:

Provided that the use of reclaimed land may be permitted only for public utilities such as mass rapid or multimodal transit system, construction and installation of all necessary associated public utilities and infrastructure to operate such transit or transport system including those for electrical or electronic signaling system, transit stopover of permitted designs; except for any industrial operation, repair or maintenance;

- (d) measures for control of erosion;
- (e) maintenance and clearing of waterways, channels, ports and hover ports for coast guard;
- (f) measures to prevent sand bars, installation of tidal regulators, laying of storm water drains or for structure for prevention of salinity ingress and freshwater recharge.
- (ii) Activities related to waterfront or directly needing foreshore facilities such as ports and harbours, jetties, quays, wharves, erosion control measures, breakwaters, pipelines, lighthouses, navigational safety facilities, coastal police stations, Indian coast guard stations and the like.
- (iii) Power by non-conventional energy sources and associated facilities.
- (iv) Transfer of hazardous substances from ships to Ports, terminals and refineries and vice versa.
- (v) Facilities for receipt and storage of petroleum products and liquefied natural gas as specified in Annexure-II to this notification, subject to implementation of safety regulations including guidelines issued by the Oil Industry Safety Directorate in the Ministry of Petroleum and Natural Gas and guidelines issued by the Ministry of Environment, Forest and Climate Change, provided that such facilities are for receipt and storage of fertilizers and raw materials required for fertilizers, like ammonia, phosphoric acid, sulphur, sulphuric acid, nitric acid, etc.
- (vi) Storage of non-hazardous cargo i.e. edible oil, fertilizers and food grains in notified Ports.
- (vii) Hatchery and natural fish drying.
- (viii) Existing fish processing units may utilise 25% additional plinth area for modernisation purposes (only for additional equipment and pollution control measures) subject to the following:-
  - (a) Floor Space Index of such reconstruction not exceeding the permissible Floor Space Index as per prevalent town and country planning regulations;
  - (b) additional plinth area is constructed only to the landward side.
  - (c) approval of the concerned State Pollution Control Board or Pollution Control Committee.
- (ix) Treatment facilities for waste and effluents and conveyance of treated effluents.
- (x) Storm water drains.
- (xi) Projects classified as strategic, defence related projects and projects of the Department of Atomic Energy, Government of India.
- (xii) Manual mining of atomic mineral(s) notified under Part-B of the First Schedule to the Mining and Minerals (Development and Regulation) Act, 1957(67 of 1957) occurring as such or in association with one or other minerals in the intertidal zone by such agencies as authorised by the Department of Atomic Energy, Government of India as per mining plan approved by the Atomic Mineral Directorate for Exploration and Research;

**TERMS AND CONDITIONS FOR REGISTRATION OF COASTAL AQUA HATCHERIES**

1. The Certificate of Registration is granted under the provisions of the Coastal Aquaculture Authority Act, 2005, the Coastal Aquaculture Authority Rules, 2005 and the Coastal Aquaculture Authority Regulations, 2005
2. This Certificate of Registration is not transferrable
3. Hatchery should establish / maintain the required bio-security facilities as prescribed by CAA
4. The Hatchery should be managed by a qualified Manager/Technician, who would be the authorized representative of the Hatchery and shall be available in the Hatchery at all reasonable times particularly at the time of inspection by the Inspection Team of CAA.
5. The authorized representative of the Hatchery shall cooperate with the Inspection Team of CAA in all respects at the time of inspection
6. The authorized representative of the Hatchery shall be empowered to give statement and/or any other information required by the Inspection Team of CAA at the time of inspection. The statement so given would be deemed to be given by the Owner of the Hatchery
7. Refusal of the authorized representative of the Hatchery to give statement and/or any other particulars to the Inspection Team would render the Hatchery to be deprived of the privilege given under this Registration / Letter of Permission (LoP).
8. The Hatchery shall not allow any person(s) or other entity or authorities other than the employees of the Hatchery and the inspection team of CAA to have access to the hatchery without the written permission / authorization of the CAA for the specific purpose for which they are authorized.
9. Hatchery operator shall not make any alterations or additions / upgradations and improvement and put into use the facilities of the Hatchery other than what has been indicated in the Registration Certificate / LoP, without the prior approval of CAA. Any such alteration / upgradation and improvement carried out and usage of the same without approval of CAA would entail in the cancellation of the Registration / Letter of Permission (LoP).
10. The Hatchery shall not stock brood stock in excess of the quantity allotted in the LoP of the relevant year.
11. Hatchery should maintain records pertaining to the number of broodstock, number of spawning, number of seed produced, inputs like feed, probiotics and incidence of disease occurrence, water quality parameters for intake and effluent discharge, records of sales, CAA registration number, address of farmers to whom sold, mortality, carcass disposal or any other records prescribed by the CAA from time to time and should report these in their Quarterly Compliance Reports to be submitted to CAA as per the format given in Form-IV.
12. Hatchery should sell only certified seed to the farms registered with CAA or with the State Government for fresh water farms on production of the Seed Procurement Card (as and when put into practice) meant for purchase of seed containing the seal of CAA, Registration Number and Photo of the Farmer or the permission of the State Government, as the case may be and make entry at every time of sale indicating the date of sale, quantity, size of seed, etc., besides issuing the invoice for the sale. No seed should be sold without making proper entry in the prescribed Seed Procurement Card issued to the Farmer by the CAA.
13. Hatchery should not use any prohibited antibiotics; however they are permitted to use only the approved chemicals and drugs in the prescribed limit as indicated in the CAA Guidelines.
14. The wastewater discharged from the Hatchery should conform to the standards stipulated in CAA Guidelines for the Final Discharge Points.
15. Hatchery should abide by the provisions of the CAA Act and Rules, 2005 and the Guidelines framed thereunder as well as any additional conditions / safeguards that may be stipulated from time to time for the purpose of sustainable and responsible development of aquaculture.
16. Any violation of the terms and conditions would render cancellation of Registration / Letter of Permission (LoP) issued to the hatchery and liable for further action under the CAA Act and Rules, 2005 and Guidelines issued in this regard from time to time.
17. The Registering Authority reserves the right to cancel the certificate whenever the Authority has the knowledge that the applicant has obtained this certificate by playing fraud, any misrepresentation or suppression of material facts.
