

**ANNEXURE-II**  
**SITE INSPECTION REPORT**

I along with Assistant conservator of forest, Sirsi and Range Forest Officer, Sirsi Range, and other field staff inspected the proposed site for diversion under F.C. on dated: 15-07-2022. Following issues were observed during the field visit.

1. The User Agency has requested for diversion of forest land in F.Sy.No.81 to an extent of 0.0246 ha. to connect his malki (private) land.
2. No trees found in the proposed Approach road
3. The proposed road to in extent of 20.5 mtrs length and 12 mtrs width is connecting to the existing road.
4. The proposed road is the shortest possible distance from the existing road to the land and there is no alternate road.

I recommend the proposal for diversion of 0.0246 ha of forest land in F.Sy.No.81 to connect to his malki land.
