To
The District Forest Officer,
Erode Forest Division,
Erode.

Sir,

Sub: Forest (Conservation) Act, 1980 – Sathyamangalam Tiger Reserve,
Erode – Erode Forest Division – Proposal for diversion of 0.239 ha. of
forest land in North Bargur R.F. for laying of underground Optical
Fibre Cable from Kolathur to Kollegal road in Karaikadu to Karnataga
Border road section across North Bargur R.F. – CA land details - Reg.

- Ref: 1) Telesonic Networks Limited, Chennai Online Proposal No.
FP/TN/OFC/153482/2022 dt.14.03.2022 & 13.04.2023.
2) Principal Chief Conservator of Forests (Head of Forest Force),
Chennai Ref. No. TS3/7286/2022, dt.02.05.2022.
3) Govt. of India, MoEF&CC, (FC Division) New Delhi Letter No. FC-
11/118/2021-FC, dated 13.06.2023.
4) The District Forest Officer, Erode C.No. D2/5046/2022
dt.19.06.2023.

With reference to the above subject, I submit the details called for in the
District Forest Officer reference 4th cited as follows:

According to the clarification from the Forest Clearance Division of the
Ministry of Environment Forests & Climate Change, Govt. of India vide reference 3rd cited
and the telecommunication projects review meeting on 10.07.2023, forest land diversion
proposals of up to one hectare do not require non-forest compensatory land and can follow
the compensatory afforestation guidelines. Therefore, I humbly request to expedite the
processing of my application, as it involves less than one hectare of forest land.

This is for favour of kind consideration and early orders.

Yours sincerely,
For M/s. Telesonic Networks Limited,
