Sir,

This has reference to E-mail dated: 26 July, 2021 through OSMFCP portal related to the Proposal No. FP/JK/ROAD/144993/2021 on the subject cited matter. In this regard, the shortcomings uploaded on portal are attended as under:

S.No.	Shortcomings observed/uploaded	Action Taken
1.	A higher authority need to authorize the applicant to file the application.	As per Delegation of Powers of NHPC, the undersigned is fully authorized/competent to exercise powers for acquisition/lease of land and filing of requisition with concerned authorities, being General Manager-Incharge/Head of Sewa-II Power Station. Thus, the application, in question, was filed.
2.	The KML file reveals 1.48 ha area of the proposed road whereas the requisition by the user agency is for 1.6 ha. Revised KML file needs to be uploaded by the user agency.	Inadvertently, the old KML file showing 1.48 ha area of the proposed road had been uploaded. Now, revised KML file has been uploaded.
