

1/272278/2022

CERTIFICATE FOR BARE MINIMUM

Name of Work: OFC Laying (by overhead method) in East Garo Hills District

Proposed Diversion of Forest Land: 0.765 ha

Proposal No: SW/280586/2022

This is to certify that the proposed forest land is the bare minimum area for the purpose and there will be no further requirement for Additional area. We as a user agency also certify that we will not shift to any area other than the area mentioned in the proposal. We also certify that no suitable Private or Government Non-Forest land is available at the site.
