Ref: 1. Government of India, Ministry of Environment, Forests & Climate Change, Regional Office (Southern Zone), Bengaluru letter F.No. 4-KRC 1222/2020-BAN/332 dated 03-08-2020 [latest EDS query dard 05-05-2020].  
2. PCCF Letter No. KFD/HOFF/A5-2K(GFL)/28/2018-FC dated 13.08.2020.  
3. EDS Raised on dated 14.08.2020.

Sir,

Vide reference no. 1, Regional Empowered Committee has agreed to the revised proposal submitted with reduced width in Devimane and Bandal ghat sections and also suggested to reduce the width at least from Janmane village to Katagal village. Later PCCF (Head of Forest Force) letter dated 13.05.2020, cited under reference no.2, endorsed the copy to this office with a request to upload the compliance with all the relevant documents in PART-I of FORM-A in FC web-portal. Further, vide reference no.3 your good office has forwarded the PCCF letter through online to comply the EDS at the earliest.

In this regard, as suggested by RO, MOEFCC, we have reduced the width wherever possible for the entire length of project road and revised requirement of forest land for diversion is estimated to 21.7629 Ha. Accordingly, now the PART-I of FORM-A online application has been updated. However, as we couldn't able to change the area in item A-1 Project Details of section A General Details, as the check box for editing the area was not available, we have uploaded all the revised area details in additional information in PART-I of FORM-A of the online application.

Hence, there is a change in the forest area to be diverted and details mentioned in online PART-I of FORM-A application and hard copy of the FC application submitted to your good office. To ease the understanding on the details given in online PART-I of FORM-A
