The point wise reply given as under:-

1. In this regard it is submitted that the whole forest land i.e 0.2569 ha. is required for the construction of road purpose only. No forest land is required for the construction of tourism and other activities/purpose.
2. The land acquired by the Ojas Gram under section 118 of HP Govt. for setting up a tourism unit and there is no connectivity's of the road at present. The road access is possible only through forest land as no part of our land is connected to main road. Hence the forest land is urgently required for completion of the project.
