Undertaking on Leaving Belekeri to Hattikeri Road section (NH766EE) from
Forest Land Diversion

With regard to road work in Hattikeri village limits, the NHAI is in discussion with Belekeri Port Authorities to develop an alternative link road from NH66 to Belekeri port that will avoid/bypass the existing road for some distance, so that no forest land in Hattikeri village limits will be required for the proposed project work and therefore forest land diversion in Hattikeri village limit is taken as zero.

In case the NHAI is required to widen the existing link road in Hattikeri village limit and if such widening involves forest land, this proposal will be modified or a fresh proposal will be submitted.
