

Letter No. MCMP/Forest/238
Date: 20.08.2019

To,

The Divisional Forest Officer,
Sundargarh.

Sub: Proposal regarding diversion of 15.701ha Revenue Forest land for Manoharpur Coal Mine Project of M/s Odisha Coal and Power Limited.
- Proposal No. FP/OR/MIN/40025/2019.
- State Serial No. OR-029/2019 dt.16.05.2019.

Ref: EDS dated 16th Aug, 2019.

Sir,

With reference to the subject cited above and shortcomings sought through EDS, it is to inform you that this proposal doesn't involve any non-forest land. A total of 3985 trees were enumerated over the applied forestland and the approved tree enumeration list along with abstract to that effect clearly depicting the no. of trees standing over applied forestland has been annexed as **Annexure-V in DP**.

Actual tree felling requirement will be kept minimum and will be determined based on actual ground situation during mining. A separate approval will be obtained from DFO before carrying out actual felling.

This is for your kind information and needful action.
