Sir,

The Project Barkunda to Kharwa , package no JK14-507 with proposal no FP/JK/ROAD /138456/2021. sanctioned under scheme PMGSY with a vision to provide connectivity to the rural habitations which are still unconnected.

It is to clarify that other options were also explored but there was no alternate route which was technically feasible other than the proposed 375 mtr of the wildlife area which was coming in the alignment of the road which was unavoidable involved 0.225 ha of land which was the minimum possible wild life land that need to be diverted for connecting the approved habitation.

Yours faithfully,

  
(Er. Devi Dayal).

Executive Engineer  
PMGSY Division Udhampur-I,
