Reference:-In reference to Essential Details of Shortcomings of Proposal No. FP/UP/ROAD/144211/2021, raised by the Nodal Officer on 05/07/2021

Respected Sir,

We would like to humbly inform you that we have submitted our Forest Proposal on MoEF&CC online portal "Parivesh" for prior approval of Central Government under section 2 of the Forest (Conservation) Act, 1980 for diversion of proposed protected forest land of 4.8 hectares area. In the online Part-1 Report (section A-2 (xiii)) of details of User Agency, the legal status of user agency is mentioned as **State Government**.

However, with reference to query raised by the Nodal Office, in the online Part-1 Report (section A-2 (xiii)) the legal status of user agency should be **State PSU**.

We are unable to change the legal status of the user agency as "**State PSU**" in place of **State Government** due to some technical issues in the online proposal.

Therefore, we humbly request you to kindly help us in changing the legal status of user agency UPEIDA from **State Government** to **State PSU** at your level, so the EDS raised by the Nodal Officer, U.P. Forest Department, Lucknow may be removed.

Thanking You

Sincerely Yours
