In connection with above subject and reference for Forest land Diversion proposal (8.0357 Ha), for the issues raised as per above ref. no.02 the Railways remarks are as under

- For point no.01 the patches under Forest land were jointly inspected with Forest Department for its trueness and only the patches which are falling short in width to construct the 3rd Railway line were proposed for Diversion. Forest land patches which are owned by Railway having sufficient width were omitted from the proposed Diversion KML. Hence the KML shows area of fragmented diversions.
- For point no.02 regarding issue of equivalent non-forest land it is to mention that CCF Betul has already ordered it vide his order no. मा. िच./2022/343 dt. 13/12/22 for 20 hect. double degraded forest land under beat named Koyalbuddi PF no. 392 for Rupees 1,04,19,893 amount, which is attached in Part - II of proposal on portal "Parivesh".
