

NAME OF WORK/PROPOSAL – CONSTRUCTION OF BUS STAND TAKLECH

Category : Bus Stand

Area : 00-16-66 hect

Constituency: Rampur

Location : Taklech

Nodal Officer : Regional Manager HRTC Rampur

**Demand Letter**

This proposal has been formulated to provide Bus Stand at Taklech to the public of Taklech & surrounding area. It is situated in Tehsil –Rampur, District Shimla HP having population approximately 9,000 souls.

This is the proposed Bus Stand at Taklech .At present public transport is only mode available for to-and-fro of passengers. Construct Bus Stand at Taklech is essential as public of Taklech & surrounding area can't afford taxies as well as personal vehicle. Due to lack of Bus Stand at Taklech buses are parked in mid of the market which causes heavy traffic jam & passengers have to wait for buses in open space in rainy/ hot summer season, if said bus stand shall be constructed they will get shelter & also avail better facilities of transportation. Bus Stand Taklech has been demanded by public since long. Diversion of offer said land is inescapable and all other alternative have been explored and the requirement of the land proposed to be diverted is minimum.

The construction of Bus Stand at Taklech will get rid of traffic jams Taklech market as well as general public of said area also get better facilities of transportation from said Bus Stand .

Thus construction of Bus Stand at Taklech is an overall in public interest.

Period : Two year subject to availability of funds.

Mode of Execution : Through Contract.
