SURVEY OF INDIA

Price : Rs. 50/-

[illegible]

Dist 2d: District Board, 500 Block Devonshire Office

NOTES :-

Highways are in process and some nodan near sea level.
Contours are approximate.
A relative height g, h represents the approximate height, in metres, between the top end and bottom of a steep slope.
The 12 significant heights and contours in this area have not been adjusted to the height of its surrounding bench-marks and may not be strictly in accordance with them.
The numerical values, numbers giving points and the railway are shown in earlier posts, e.g. 1/2/2015 and the same numbers are shown in earlier posts.
Presented in order at some points and classification of Reserved Protected Roads in this area has been done for want of adequate information.

A. Surveyed during 1978-79. Updated for me or details during 22/06/20
