UNDERTAKING FOR POSSIBILITY TO SHIFT THE DUMPING SITE TO NON-FOREST AREA.

I, Er. Rajnish Behal, Executive Engineer, Rampur Division (B&R) HPPWD Rampur Bushahr, I/We hereby undertake that the possibility to shift the dumping site to private land from the Govt. land has been explored on the site. The private land adjoining to the road is cultivated agriculture land and no degraded private land is available, hence local people are not ready to gift the private land for dumping site. The land holding of the public of Gadasu Lauhti Punan villages are very limited as the area is hilly and very small patches are cultivated in this hilly area. The local public is depending on the agriculture to make their both end meet. Keeping in view of the above facts and reasons, it is not possible to shift the dumping site to the private land.
