Sir,

It is to inform you that National Highways Authority of India (NHAI), under Ministry of Road Transport & Highways, Govt. of India has proposed the Construction of Four lane Inter corridor package-II from Shivrampur (Ch. 55+000) to Ramnagar (Ch. 109+324) in the state of Bihar under Bharatmala Pariyojna (Lot-5, Pkg-7) - NH-119D.

2. In pursuance to above, PIU Gaya, NHAI is taking up above mentioned project the Shivrampur to Ramnagar the starting Ch. 55+000 is Shivrampur (Gaya) & terminates at Ch. 47+500 Ch. 109+324 near Ramnagar on SH-78 (Patna) in the State of Bihar having a total length of 54.324 Km and Proposed Right of Way (PROW) is 60 m.

3. Sufficient care has been taken during the design stage to avoid acquisition of forest land located along the project road. No forest land identified along the proposed alignment, however at some locations (crossings point of roads/canal/drain/river bund etc.), the proposed project falls in notified protected forest land declared for management purposes and diversion of protected forest land is unavoidable and barest minimum i. e. 4.343 Ha.

4. The forest land as identified is included in this proposal for your kind consideration and recommendations for grant for the diversion of forest land for non- forest purpose. It is also stated that NHAI is willing to pay compensation for Compensatory Afforestation (CA) and Net Present Value (NPV) etc. as per the Government regulations.

5. This is a time bound project and has a potential to contribute in the economic wellbeing of local people of the adjoining area. Therefore, it is requested to consider the proposal and recommend granting the permission for the diversion of forest land.

Yours faithfully,

(P.R. Pandey)
