Site- Village Gureh, Main Ferozepur Road Ludhiana Punjab 142023

Ref.....To,.....

Date.....

Divisional Forest Officer,
Ludhiana.

Sub: Diversion of 0.210591 HA of forest land for passage to approach our proposed Commercial project set up on behalf of our partnership firm namely M/s SKB Punjab at village Gureh Ludhiana-Jagraon Section, NH 95 (New NH-05) at KM 105.692 (RHS) Tehsil Jagraon District Ludhiana. **Compliance Letter for our Proposal. Proposal No- FB/PB/APPROACH/148031/2021**

Dear Sir,

I Joginder Singh Bajaj Partner of M/s SKB Punjab is setting up a commercial project at village Gureh Ludhiana-Jagraon Section, NH 95 (New NH-05) at KM 105.692 (RHS) Tehsil Jagraon District Ludhiana.

Our project is set up at NH-95 KM 105.692 (RHS) which needs a Service Road length of 270 Meter wide for a two way Service Road of 7 Meter width with a dead end at our Property Corner Due to Gureh Link Road at KM 105.620 as per drawings approved from NHAI. Two way Service Road will be used for entry and exit for vehicles as we have a median cut and Gureh Village entry road just next to our project.

Due to median cut, Link Road to village Gureh at KM 105.600 and Toll Plaza near to our Commercial project, Acceleration/Deceleration Lane are not possible to construct as per NHAI guideline because Minimum Distance from Toll Plaza for any project should be 1000 Meters. That's why the Drawings approved from NHAI with 7 Meter of Two-way Service Road has to be constructed by us for which we need 0.210591 hectares of land. To use minimum of forest land we even applied to get entry and exit from Link Road but as per GLADA notification Commercial projects are not approved on less than 80' Feet Road letter also enclosed for your reference from GLADA office. So Sir we request to kindly give us the required approval as its been more than 2 years that we have been trying to get the required approval from forest Department for the same.

THANKING YOU.

Yours Sincerely

For SKB PUNJAB

Joginder Singh Bajaj
