OFFICE MEMORANDUM

Sub: Permission for laying of drinking water supply pipeline under Borawas Mandana Water supply project Kota Passing through buffer of the Mukundara Hills Tiger Reserve, Rajasthan,

Consequent to the field inspection carried out, this Authority recommends the aforesaid project in buffer of the Mukundara Hills Tiger Reserve as per conditions prescribed by the Government of Rajasthan as follows:

- (i) The user agency shall provide water for wildlife at their own cost at 5 points as identified by DCF (WL), Mukundara Tiger Reserve.
- (ii) The user agency will provide 2% of the project cost of the stretch falling inside the tiger reserve area for conservation and development of wildlife habitat. The funds will be placed at the disposal of the authority prescribed by the Chief Wildlife Warden.
- (iii) No cutting of trees will be allowed.
- (iv) No night camping should be allowed by labour force during laying of pipeline within sanctuary area.
- (v) Work will be done during day time only.
- (vi) Appropriate protection measures for trees will be provided at use agency's cost.
- (vii) No disturbance to wildlife and its habit would be caused
- (viii) The project personnel engaged in the project in the project shall observe the provision of Wildlife (Protection) Act, 1972 & Rules made there under

In addition, the State of Rajasthan through the Field Director, Mukundara Hills Tiger Reserve shall ensure that the biotic pressure of an invariable increase in number of families and/ or villages consequent to such a project on the Core/ Critical Tiger Habitat (CTH) shall be suitably dealt as per extant provisions of law.

(Dr. Vaibhav C. Mathur)
Assistant Inspector General (NTCA)

The Deputy Inspector General of Forest,
Wildlife Division,
Ministry of Environment, Forest and Climate Change,
6th Floor, Vayu Wing, Indira Paryavaran Bhawan,
Jor Bag Road, New Delhi.
