

Justification for locating project in forest area

Land is not available in any command area of Irrigation Projects in Satara districts. There is no sufficient land available from "Gairan" or "Revenue waste land" in possession of Revenue department. Even in forests, it is not available in a continuous patch of land at a stretch that can accommodate all 120 PAP's, at one location. Also we are getting more non forest land (519.49 ha.) than the total forest land (227.90 ha.) proposed to be diverted.
