We write with respect to the above referenced letter and subject. BPCL Compliance is as below in seriatim.

Query No.1 The subject land as per government 7 x 12 records have been registered in the name of CIDCO. In this regard, request to submit the NOC from CIDCO.

BPCL Reply BPCL had applied to CIDCO for laying of pipelines inside their premises in & around airport. Copy of application for ROW (Right of Way) to CIDCO is enclosed herewith. It is also informed that NAINA (A CIDCO Special Project Authority) had provided in principal approval to BPCL for laying of pipeline for their upcoming international airport and copy of same is enclosed herewith letter. As this project is of national importance and matter of above ROW is with CIDCO, a Government of Maharashtra Authority & land will be leased to us in due course of time and hence we request DCF, Alibag & APCCF -Nagpur to forward our proposal in cognizance of above to state government.

Query No.2 Part of the land under this proposal has been acquired for projects under Navi Mumbai. Hence Request to submit the consent from the concerned authorities for this land.

BPCL Reply Rasayani Pipeline Project is monitored by PMO and Government of India had appointed Competent Authority (Sub Divisional Officer, Panvel) for securing ROU (Right of User) for Pipeline corridor. Government of India had already notified in Gazette dated 06.02.2020 to acquire Right of User which are covering all survey nos. of Pipeline Corridor. Copy of Gazette Notification is enclosed herewith for your perusal. It is BPCL submission that ROU will be secured for Rasayani Pipeline soon and hence concern on consent of other authorities in the Pipeline Corridor does not arise and hence we request DCF, Alibag & APCCF -Nagpur to forward our proposal in cognizance of above to state government.

Trust above reply suffice the requirements sought under subject matter,

Thanking you
Yours faithfully
