O/o Principal Chief Conservator of Forest  
And Head of Forest Force, Assam  
Rehabari, Guwahati-781008

Sub: Present Status of Concern Forest Land (Geleky Reserve Forest) and nearest Wild Life Sanctuary.

Sir,

It is to bring to your kind notice that the Concern Forest Land at Geleky Reserve Forest is covered with Jungle and no settlement is noticed closed to the approach road to ONGC well site. The pipeline is routed close to the existing approach road to well site and minimum cutting of forest trees are required.

The nearest Wild Life Sanctuary is Gibbon Wild Life Sanctuary and the aerial distance is about 33 km from the proposed pipeline through Geleky Reserve Forest.

Regards
