Letter No. 836.....ESE, TC, CBSA,

Dated 25/08/18.....

To ,

**The DFO
Saranda Forest Division,
Chaibasa, Jharkhand.**

Sub: - Serial wise replies of your letter reference no. 574 dated 17.03.2018 and subsequent letter no 779 dated 19.04.18 for the diversion of 9.118 Hectare Forest land in Saranda Forest Division under FRA-1980, FOR CONSTRUCTION of 220 KV Double circuit (D/C) Transmission lines from Ullijhari, Chaibasa to Gua.

Dear Sir,

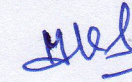

As per captioned subject of your queries are as follows:-

1. For Compensatory Afforestation, as per guideline of Ministry of Power clause (C) of sub -para (vi) of the para 3.1 of the guidelines for diversion of forest land for non -forest purpose under Forest conservation Act -1980 mentioned that for laying of transmission line user agency will not provide the non forest or revenue forest land, Forest Department will have to provide degraded forest land twice in extent of the forest area being diverted.
We have been provided degraded forest land of 103 hectare from DFO Chaibasa. Hard copy of the CA land proposal submitted to all division and online uploaded.
2. We have already submitted the undertaking for the submission of FRA certificate under the forest right act 2006. FRA process is under progress we will submit the FRA certificate when received from Deputy Commissioner, West Singhbhum.
3. We have already been submitted soft file in CD but due to some technical reasons it is not opened in your system. As per your instruction we have replaced the CDs.

Enclosure: MOEF Guideline.

Thanking You.

Yours faithfully,

25/08/18

(Er. M K Singh)

Electrical Superintending Engineer
Transmission Circle, Chaibasa
