**BHARATMALA**  
ROAD TO PROSPERITY

The construction and upgradation of road from design chainage 31.449 (Khellani, Pariyot) to Km 51.700 (Prem Nagar) (Design length 20.251 Km.) in the Union territory of Jammu and Kashmir Package-1 of NH-244 would generate approximately 300 permanent local employment in various modes on its stretch after completion. The project would lead to development of the economic development along the project corridor. Way side amenities would also be developed along the project stretch.
