

ANNEXURE-II
SITE INSPECTION REPORT

I along with Assistant conservator of forest, Sirsi and Range Forest Officer, Sirsi Range, and other field staff inspected the proposed site for diversion under F.C. on dated: 02-08-2022. Following issues were observed during the field visit.

1. The User Agency has requested for diversion of forest land in F.Sy.No: 29 of Huttgar Village to an extent of 0.1920 ha. to connect his malki sy no 9/8,9/9 & 9/10(private) land.
2. There are fourty two trees (Acacia-40, Jungle wood-2). Which need to be cut to widen the road.
3. The proposed road to in extent of 160 mtrs length and 12 mtrs width is connecting to the existing road.
4. The proposed road is the shortest possible distance from the existing road to the land and there is no alternate road.

I recommend the proposal for diversion of 0.1920 ha of forest land in F.Sy.No.29 of Huttgar Village to connect to his malki land.
