

Justification for Point No. 1

The extant proposed is non-site specific, but all waste land in District Kullu is declared as PF under HP Govt. Notification, 1952, so there is no govt. land available in the district. The private land owners have small chunks of land which cannot be utilized for the purpose so all the alternatives have been explored in the Forest land. The alternative involving less felling of trees and suitable land has been selected for the construction of Company office at Banjar and Fire post Banjar.

Commandant Home Guards,
7th Battalion Kullu (H.P.)
