

### Undertaking for point No.6

I/we the user agency hereby state that to mitigate soil erosion/land slide in the proposed area, the civil and bio engineering work will be carried out as per soil and Moisture conservation plan to be submitted before final approval from competent authority.

I/we the user agency here by further undertake to submit the soil and Moisture plan to MOEF and CC before final approval.

  
Commandant Home Guards,  
7<sup>th</sup> Battalion Kullu (H.P.)
