RESOLUTION.—After a careful consideration of the proposals put forward by both the Revenue and the Forest Officers, Government have decided to accept the classification of the Poona forests made by Mr. Sheppard as modified by Mr. Cappel in his remarks* on statement No. I accompanying Mr. Wilkins' report No. 1665,* dated 30th January 1902, and instructions should now be issued to give effect to this classification. The Collector should take every precaution by enforcing the responsibility of the village officers and in other ways to prevent the cutting of trees and shrubs on the extensive pasture lands now to be handed over to the Revenue Department.

P. J. MEAD,

Under Secretary to Government.

The Commissioner, C. D. (with the statements and maps),
