26.08.2022

To

Divisional Forest Officer,
Ferozepur.

Sub: Four Laning of Moga-Bajakhana (Lambwali) Section of NH-105B with Paved Shoulder from Km. Ch. 0+000 to km. Ch. 42+733 under BHARATMALA Pariyojana, (Package-IV) in districts of Moga and Faridkot in the State of Punjab on Hybrid Annuity Mode: **Regarding query raised by your office-Reg.**

Ref: i) DFO Ferozepur Memo no. 2324 dated 07.07.2022.
ii) MoEF&CC letter no. 9-PBB369/2022-CHA dated 24.06.2022.

Sir,

This is in reference to your office Memo no. 2324 dated 07.07.2022 wherein this office has been requested to submit reply of sr. no. (i) of MoEF&CC letter dated 24.06.2022.

2. In this regard, it is informed that this office has already submitted the proposals for Irrigation NOC to Chief Engineer, Design Water Systems, Chandigarh. There have been repeated observations from the concerned department on the proposals submitted by this office latest being of dated 25.08.2022. The compliances of the observations are promptly prepared and submitted. It is expected that Irrigation NOCs will take some time to be obtained from the department.

3. Meanwhile, due to want of irrigation NOCs, the project is suffering due to pending Stage-I Forest Clearance. Further I would like to bring to you notice that in other projects of NHAI such as Amritsar-Bathinda (Package-III) (Forest Proposal no. FP/PB/ROAD/55470/2020) and Malout Bypass (Forest Proposal no. FP/PB/ROAD/148529/2021), Irrigation NOCs are being submitted after the stage-I clearance only. This office has already submitted undertaking that when Irrigation NOCs are received from the concerned department, same shall immediately be submitted to the Forest Department. Same is again being attached herewith for your perusal.

4. Further, it is informed that, obtaining FCA clearance is one of the Condition Precedent for commencement of the Project. The delay in stage-I FCA Clearance is hampering the project as the contractor is already mobilized at site and waiting for go ahead from the Authority for the construction the project. However, the Authority is unable to give commencement approval to the contractor due to pending FCA clearance. This may lead to cost claims from the contractor later.

5. In view above, it is requested to apprise the matter to the higher authorities for processing the case for stage-I FCA Clearance with a humble request for not holding the case for want of Irrigation NOCs. Irrigation NOCs may be allowed to be submitted after obtaining Stage-I clearance and before obtaining stage-II FCA clearance as is being done for other projects, as the same is taking more time with the Water Resources Department then it could have been anticipated.

Encl.: As above

Thanking You,

Yours Sincerely,

26/08/22

(Vipul Gupta)
Project Director,
NHAI, PIU-Bathinda.

Sub: Diversion of 3.03 ha of forest land for four laning of Moga-Bajakhana (Lambwali) Section of NH 105B with paved shoulder from KM Ch. 0+000 to Ch. 42+733 under Bharatmala Pariyojna (Package-IV) in district Moga and Faridkot in the state of Hybrid annuity mode under forest division Ferozpur, Punjab. (Online proposal No. FP/PB/Road/150782/2022)-regarding.

Ref: State Government online proposal received on dated 15.06.2022

महोदय,

मुझे आपका ध्यान उपर्युक्त प्रस्ताव की ओर दिलाने का निर्देश हुआ है, जिसमें वन (संरक्षण) अधिनियम, 1980 की धारा-2 के अनुसार गैर वानिकी उद्देश्य के लिए 3.03 हेक्टेयर वन भूमि की मांग की गई है।

2. प्रस्ताव से सम्बंधित निम्नलिखित जानकारी भेजने का कष्ट करे:-

- NOC from Irrigation department.
- Enumeration list of trees to be felled is given for 248 trees instead of 252 trees.
- DGPS map of CA site needs to be revised, because latitude/longitude corner reading from one side is not matching with the KML file.
- District-wise break up under S.No.3 of part II has to be similar to information at s.no.B2.2 of part I.
- Separate NPV calculation sheet as per new rate effective from 06.01.2022.
- The calculation at the last page of both CA and ACA scheme is not clear wrt revised amount for revision of wages. Revised CA and ACA scheme needs to be submitted.
- Upon CA site analysis, it has been found that 14.6 ha is suitable for plantation but the requirement for CA is only 6.06 ha. The State Government may clearly demarcate the required 6.06 ha area only within the available 14.6 ha.

3. उपरोक्त जानकारी इस पत्र के जारी होने के पश्चात 30 दिनों के भीतर प्रस्तुत करे, जिसके प्रस्तुत न करने की स्थिति में इस प्रस्ताव को रद्द किया जा सकता है।
