Subject: Objection Reply of Online Proposal No.FP/UP/ROAD/41235/2019 Dated 26/08/2019

Respected Sir,

As per raised objections replies are followings

1	Objections	Reply
1	<p>Despite previous EDS and reply to the EDS, the applicant is still not clear about the chainage proposed for strengthening and widening. In section A-1 (ii) & (iii), now he has shown KM from 399.600 to 427 but in other sections/toposheet/geo referenced map and other documents he has shown it as 398 to 427 whereas in area calculation chart he has mentioned chainage from 399.600 to 427. This shows that not only the proposal but the reply to EDS dated 23.07.2019 has been uploaded very carelessly.</p> <p>Kindly rectify and mention actual length of road required to be used for non-forestry purpose. The proposal can not examined due to this laxity on part of the applicant.</p>	<p>Sir,</p> <p>Documents by correcting Ch.KM of proposed road widening and strengthening as per raised objections are uploaded Proposed work only From Ch.399.600 to 427.00 total length 27.4km</p>
