Subject: Compliance Report of Received EDS Letter regarding Forest diversion Proposal i.e.

FP/RJ/WATER/33714/2018

Dear Sir,

With reference to above mentioned Subject, we have received the EDS Letter Regarding Forest Diversion Proposal "**Fluoride Control Project for Remaining Village of Tehsil Beawar**")

We have incorporated all the comments and uploaded the required document on **MoEFCC** Web portal for you reference and further Processing.

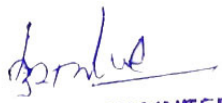

Point Wise Compliance Report:

Sr No.	EDS Observation by Forest Department	Reply by User Agency
1.	If user agency has received the Forest Permission than why Forest diversion is required again.	We have revised the Project Title and Applying for fresh forest land proposed for diversion.
2.	User Agency has provided the details that required forest land is falling in the 16 villages while in the previous submitted proposal village name is different.	We have rechecked the villages list and provided corrected village list.
3.	(i) User Agency has not marked the Sanctuary boundary in KML File (ii) As per KML file polygon area is 5.8158 instead of 5.9194 hectare.	Sanctuary Boundary Shown in Maps revised the KML File as per EDS and uploaded in Part-I.
4.	Sanctuary boundary and every corner coordinates is not marked on the digital Map.	We have marked the Sanctuary boundary as well as corner coordinates on the digital Map.
5.	User agency has uploaded the wildlife permission in Part-I	Yes we have already Uploaded.
6.	FRA Certificate Process has been started or not, hence documents to be uploaded.	We have applied for FRA certificate which is under process and uploaded the undertaking with submission receipt.
7.	NON Forest Land KML File, Digital Map, SOI Map, MoU/Land Allotment letter is not uploaded.	Non forest land allotment is under process and we will submit the same documents at earliest.
8.	Transmission line is proposed or not in the Project.	No transmission line is proposed in this Project.
9.	User agency has received the permission from Concern CCF along the NHAI while this portion was also part of this project.	In beginning stage only Protected forest along the NHAI were required but during construction of distribution line we noticed that some additional forest land is also required, hence now we have submitted the proposal including

		NHAI diverted area.
B i	Verification of signature of authorized officer is needed at point no. A-3 (XVII)	Revised authorization letter is uploaded in Part-I at serial no. A-3 (XVII)
ii.	There are two in principal approval is pending since 2015 & 2016, explain the reason for non-compliance.	Both Proposals are not related to this division and we have confirmed from the concern officers that compliance report already has been submitted.
iii.	Proposed forest land falls in Ajmer and Rajsamand division while in previous proposal land falling in Ajmer and Rajsamand territorial division. Clarify the status of division.	We have updated the Division respectively.
iv.	User Agency not specifies component wise details (Pipeline/OHSR etc.)	We have Uploaded the component wise details in Part-I
v.	In GT Sheet Map alignment of forest boundary does not match with boundary mark by you and some places crossing of forest boundary does not match with boundary mark.	We have revised the the GT Sheet Map as per EDS.
vi.	If the proposal is lying along the road, why the proposal is fore warded for this office.	Proposed Pipe ling is falling in wildlife and maximum diameter of pipe is 450 mm.
vii.	Revised Bar Chart as per Component	Revised Bar chart is uploaded as additional document in Part-I
viii.	User agency submitted a proposal No. FP/RJ/WATER/20272/2016 for same Proposal for 2.3663 ha. UA gain resubmitted fresh proposal FP/RJ/WATER/33714/2018 for diversion of 5.9194 ha. Forest land Kindly withdraw earlier proposal.	We have submitted the request letter for withdraw the Previous submitted Proposal i.e. FP/RJ/WATER/20272/2016
