In this regard, it is informed that the matter has enquired into through CF (WL) Shimla and on the basis of her report the comments of undersigned are as under:-

1. The aerial distance of above site from the boundary of Daranghati WLS is 7.71 Kms and from the boundary of its ESZ is 7.57 Kms.
2. The aerial distance of above site from the boundary of Rupri Bhaba WLS 18.74 Kms and from the boundary of its proposed ESZ is 18.22 Kms respectively.
