

ANNEXURE**(See Rule 6)****Form –A****Form for seeking prior approval under section 2 of the proposals by the State Governments and other authorities.****PART-1 (To be filed up by User Agency)**

1.	Project Details	TSNPDCL
(i)	Short narrative of the proposal and project/scheme for which the forest land is required.	Name of the Project: The present proposal is for prior approval for diversion of 1.904 Ha of the Forest land under F(C)A1980 and W (P) Act, 1972 for the purpose of Construction of 11 kV transmission line along forest adjacent to existing SCCL road between IB tandur and madaram for Release of 1 no 96 HP (Water grid) NDS load to M/s Executive Engineer, TDWSP Division, Asifabad at Madaram village by providing 24 Hrs supply from existing Tandur MHQ feeder in Tandur Mandal of Operation section Tandur in Bellampally Division” in madaram (V), Tandur (M), Bellampally forest Division, Mancherial District, Telangana State. The length of the line passing through the forest is 2720.38 m in the compt.No.308 , Madaram block, of bellampally forest division and 11 kV line requires forest width of 7 m as per the guidelines of Transmission line under F(C)Act, 1980. Hence the forest areas proposed for diversion is 1.904 Ha.
(ii)	Map showing the required forest land, boundary of adjoining forest on a 1:50,000 scale map.	Map showing the reserve forest is enclosed. The ETS & DGPS/GNSS Survey data map authenticated by the Forest Department is also enclosed.
(iii)	Cost of the project	Rs 26.00 Lakhs.
(iv)	Justification for locating the project in forest area	<p>At present TSNPDCL transmitting power from power plants and various sub-stations to various consumers, DISCOMS at 11KV level voltages depend upon the capacity of generation of power plants and requirement by consumer. The Telangana State Government has taken decision to supply the power to the Drinking Water supply projects people of Telangana un-interruptedly. Accordingly, establishment of new power generation new sub-stations and laying of new power lines have been proposed and approved by the State government.</p> <p>The Proposed project for construction of 11KV 3 wire line along the forest passing through Madaram RF</p>

			between Tandur MHQ Feeder of 33/11 KV SS and Tandur Mandal to supply 96 HP Load underTelangana Drinking Water Supply Project (Mission Bhagiratha) at Tandur village in Bellampally Forest Division of Mancherial District, Telangana State.” Duly considering the above facts, the proposed 11 KV 3 wire line from existing Tandur Sub-station to proposed Water Grid 96 HP NDS Load in Tandur Mandal which is of Bee line length of 2720.38 m. But as the Bee line is passing completely through forest and it is unavoidable and is the barest minimum forest land required.														
(v)	Cost-benefit analysis (to be enclosed)	:	Cost Benefit (CB) Analysis is not essential as the forest area proposed for diversion for this project is < 20 Ha and falling in Plains.														
(vi)	Employment likely to be generated	:	During construction of this project 20 persons will get benefited after completion of the project 2 No. of regular shift required for maintenance works.														
2	Purpose-wise break-up of the total land required	:	<table><tr><th>Division</th><th>Block Name</th><th>Length_m</th><th>*RoW_m</th><th>Area_ha</th></tr><tr><td>Bellampally</td><td>Madaram</td><td>2720.38</td><td>7.00</td><td>1.904</td></tr></table>					Division	Block Name	Length_m	*RoW_m	Area_ha	Bellampally	Madaram	2720.38	7.00	1.904
Division	Block Name	Length_m	*RoW_m	Area_ha													
Bellampally	Madaram	2720.38	7.00	1.904													
3	Details of displacement of people due to the Project, if any	:															
(i)	Number of families	:	Does not arise as there are no displacement of the people for the project														
(ii)	Number of scheduled casts/ Scheduled Tribe Families	:															
4	Whether clearance under Environment (Protection) Act.1986 required (Yes/No)	:	Doesn't arise.														
5	Undertaking to bear the cost of raising and maintenance of compensatory afforestation and/or penal compensatory afforestation as well as cost for protection and regeneration of safety zone, etc., as per the scheme prepared by the State Government	:	Enclosed														
6	Details of Certificates / Documents enclosed as required under the instructions	:	<ul style="list-style-type: none">❖ Justification for locating the Project inside the Forest Land❖ Undertaking for depositing the funds towards raising and maintenance of Compensatory afforestation.❖ Undertaking for depositing the funds towards payment of Net Present Value (NPV) and Additional														

			<p>NPV</p> <ul style="list-style-type: none"> ❖ Undertaking for depositing the funds towards payment of extraction of tree growth ❖ Certificate of Area Minimum ❖ Detailed statement requirement of forest land ❖ Map in SI sheet showing the forest land ❖ ETS & DGPS/GNSS survey data for forest land proposed for diversion ❖ Certificate for non-violation of Forest (Conservation) Act, 1980 e
