c	As per Google imagery 2016 the proposed work is already under progress, this may be clarified.	Originally this area is earmarked to develop a Tree Park by Forest Department. During 2016-17 the Doddamangadi sy.no.62 and 67 has been proposed for Tree Park and work has been initiated as per the approved Annual Plan of Operations of Doddmangadi Tree Park. We have very keen interest to create the same park as a very attractive Eco-Tourism spot involving various Departments viz., Forest, Eco-Tourism, and MLA fund, etc. Later on it was finalized to create Shiva Theme park and Sai Temple by erecting Shiva Statue and by constructing Sai Temple to create awareness among the Environment and Forests attracting the public through devotional activities. Showing them the Shiva's love over the Environment and Forests as the Goddess Parvati herself being his wife is the "Prakruti Mata". And showing Lord Saibaba's love over the Environment and Forests.
d	Area other than the mentioned components is also being utilized for the project ie., approach road. The same may be clarified.	During 2016-17 the Doddamangadi sy.no.62 and 67 has been proposed for Tree Park and work has been initiated as per the approved Annual Plan of Operations of Doddmangadi Tree Park. .
