E	The component "approach steps" is not originating from the existing road; the same may be clarified.	Uploaded revised map clearly showing approach steps through web portal online. Hard copy of the same is enclosed herewith for your needful action.
f	As per available cadastral data with ICT Centre, the whole project falls in Sy.No.62 of Doddamangadi Village. Inclusion of sy.no. 67 of Doddamangadi village may be clarified.	Uploaded revised map. During 2016-17 the Doddamangadi sy.no.62 and 67 has been proposed for Tree Park and work has been initiated as per the approved Annual Plan of Operations of Doddmangadi Tree Park. . Later on it was finalized to create Shiva Theme park and Sai Temple by erecting Shiva Statue and by constructing Sai Temple to create awareness among the Environment and Forests attracting the public through devotional activities. Showing them the Shiva's love over the Environment and Forests as the Goddess Parvati herself being his wife is the "Prakruti Mata". And showing Lord Saibaba's love over the Environment and Forests. Hence, work has been stopped and decided to get approval under Forest (Conservation) Act 1980.
