

No. 1853
H.P. Forest Department.

Dated Nahan, the 30-8-2022

From: DFO Nahan.

To: Conservator of Forests,
Nahan Circle, Nahan.

Subject:

Diversion of 7.565 ha of forest land in favour of HPPWD for the Construction of link road from Sainwala, Boghria, Jhameria, Charuwala, Katola Km. 0/0 to 11/500. kms in jurisdiction of Nahan Forest Division Distt. Sirmour. H.P.

Kindly refer to your office memo. No. FD-NH-005/3/2021- Misc dated 21.06.2022 on the subject cited above.

2. In this regard, Executive Engineer, HPPWD Nahan has submitted the case to this office that the location of Sainwala, Boghria, Jhameria, Charuwala and Katola has been depicted in Kml. File, Digital Map as well as Topo Sheet along with its geo-reference and same has been uploaded in online portal. The status of the land is Reserve Forest.

3. It is further intimated that the proposed road will take off from village Sainwala and finally terminates at village Katola. The alternative proposal was explored by the HPPWD Department during the visit, which was not found suitable. Alternative alignments were explored by the HPPWD authority, but not found feasible. The grade of the alternative alignment is not adequate and cover more length as compared to proposed alignment. The alternative route will also pass through Reserve forest land and also involved more number of trees as compared to the proposed alignment. The village Sainwala, Boghria, Jhameria, Charuwala and Katola are the unconnected habitation and no existing road network is providing road access to above mentioned villages. The proposed road alignment to connect these villages, which is being provided by PWD, is absolutely feasible and also shortest. Construction of this road, the minimum forest land as well as trees will be involved. The route is quite unavoidable. The necessary certificate by the Deputy Commissioner of District Sirmour has already been issued for non-availability of non- forest land for the proposed road. The proposal folders in-triplicate as received vide your office memo referred are returned herewith for favour of kind information and further necessary action at your end please

Encl: As above.
