UNDERTAKING

In respect of financial implementation of the Project

Refer to your letter no.- 2465 dated 20-07-2021 wherein clarification has been sought for "cost of the project is Rs.72.264 lacs (mentioned in Part -1) where calculated CA (29.7 lacs) and NPV (47.63 lacs) total is Rs.77.33 lacs".

In this context we would like to inform you and undertake that -

- Further any other monetary implication arising out of the different legal compliances will be subsequently deposited with the respective departments, which will be above the CA and NPV cost.

With this we hereby undertake that any other statutory compliance and demand raised by concern authority of FCA in future shall be deposited by the JBVNL in due course.
