1	There is another pucca road passing through the forest block which seems to be constructed between 2013-2015 by google image. Please provide the diversion details of this road.	The another pucca road passing through the forest block was constructed before 1980 and it has been recarpeted in the year 2010. (Copy of sanction attached) As it was old pucca road constructed before 1980, (Letter of gramPanchayat attached) hence no diversion was needed.
2	DCF has to make sure that the length of the road within the forest area should be minimum, but in this case it is not explored.	Besides this road, two other alternatives have been explored. The proposed road requires minimum forest land for diversion. (Copy attached) This Route connects scattered habitation of various Dhani's namely Chouhano ki Dhani, Goru ka Bas, Khejroliyan ki Dhani & Miyan ki Dhani to Panchayat head quarter Rajas. Hence this route requires minimum diversion area & suits all parameters.

राजास से रोरु बादसर लक्ष्मणगढ़ मार्ग काफी वर्षों पुराना है तथा आजादी के समय से लक्ष्मणगढ़ को जोड़ने के लिए काफी गावों का मुख्य रास्ता है। उक्त रास्ता पहले पुराना ग्रेवल था जो लगभग 40-45 वर्ष पहले राज्य स्कीम द्वारा पक्का डामर रोड बना दिया गया था वर्तमान में काफी क्षतिग्रस्त सड़क मार्ग है।
