S.N.	Querries	Decantation
1	It is seen from the KML file of the proposed road that the road starts from dense forest and connected another road Benifited village Ghena seems to far from the proposed the road and only a few scattered houses are seen. State government May review the same and submit clarification along with actual location on village Ghena on KML file	The proposed road starts from another road due to dense forest the another road not seen. The Ghena village is at the end point of proposed road.
2	The KML file of CA area is uploded for 6.535 ha. Instead of 4.463 ha. Which seems incorrect. As per DSS analysis of the area, it is seems that the whole area is falling in MDF. Further the shape two patches of CA in KML file an digital map and do not match. State government may submit the KML for 4.463 ha. area.	Now the KML of CA area is uploaded for 4.463 ha.
3	In place of uploading ownership proof, CA site sutability certificate is found uploaded. State Government may upload the ownership proof of CA area at para L part I online.	Now ownership proof is uploaded.
4	Work not start and aerial distance certificate are not found uploaded. State Government may upload the said document online.	Work not start and aerial distance certificate is uploaded.
5	In the land schedule some corrections have been made. State Government may authenticate the correction made in land schedule.	Correction has made and uploaded.
6	Two CA scheme submitted for same area for amount Rs. 230302/- and Rs. 1158962/- State Government may provide clarification in this regards.	Two CA scheme submitted same area for different amount due to revised of Rates and correct CA scheme uploaded.
7	Certificate to bear additional NPV is not found submitted. State Government may submit certificate to bear NPV in original.	NPV certificate uploaded and original certificate already attached in original file.
8	State Government may submit hard copy of the above mentioned documents in original.	Correction in the hard copy (original papers are given for attached in forest file) is submitted (DFO-Massoorrie)
