

EAST COAST RAILWAY

Office of the  
Dy. Chief Engineer (Con)  
Sambalpur

No. DCE/C/SBP/SBP-BMR Doub/Forest Land/294

Dated: 01.08.2018

To:

The Divisional Forest Officer  
Sambalpur Forest Division  
SAMBALPUR

Sub :- Proposal for diversion of 23.20 ha of forest land in Angul, Athmalijuli, Rairakhol and Sambalpur Forest Divisions for construction of 74.24 km Sambalpur doubling Railway line - Proposal No. EP/106/2016-17, 11.12.2016 State Serial No. 01D/2016-DI DS 12.2016.

Ref: Your Offr. letter No. 35/6 Dt. 1.7.2018

Dear Sir,

This has a reference to your Site Inspection made on 06.07.2018. Replies to points raised in your letter under reference are furnished below.

1. No compliance required
2. In Hatibari Reserve Forest pillar posting has been completed (10 Nos.) and tree enumeration has also been completed (08 Nos.). Range Officer, Sadar Range and Forester, Bhimkhoj Section have verified the above two works. The tree enumeration list is presently with Range Officer, Sadar for signature.
3. We have already taken possession of non-forest land by paying compensation to the land owners including cost of trees. Therefore, whenever tree removal is required for this Project we will obtain permission from the concerned authorities including enumeration list.

In view of the above our proposal may kindly be approved.

Thanking you

6/8/18

Yours faithfully,

Dy. Chief Engineer (Con)  
East Coast Railway, Sambalpur
