Sir,

Sub: Withdrawal of FC proposal no. FP/KA/MIN/45833/2018 over 9.547ha. for conveyor belt project.

Sir

With reference to the above we wish to withdraw the FC Proposal no. FP/KA/MIN/45833/2018 dated 08.06.2020. A revised new proposal has been uploaded for the said project on 07.11.2020 bearing proposal no FP/KA/MIN/51389/2020.

The applicant of the proposal has left the services & is no longer part of the company and the login details (company email id) were deactivated. Hence based on discussion with the Nodal Officer it was advised to apply fresh proposal as there is no provision in Forest portal to modify the applicant name and details, accordingly we have reapplied with a new FC proposal.

You are requested to kindly withdraw the proposal no: FP /KA /MIN /45833/2018.

Thanking you
