The Divisional Forest Officer
Kalahandi (South) Division
Kalahandi

Sub : Proposal for diversion of 0.99 ha. of forest land under Forest Conservation Act, 1980 for Drifting, Muck disposal of drift materials and underground investigation tunnel for Upper Indravati Pump Storage Project (UIPSP) of Odisha Hydropower Corporation Ltd. – State Serial No. OR/022/2019 dt. 28.3.2019.

Ref : (i) Your office Letter No. 3255/3F(Lease)/2020 dated 17.07.2020
(ii) Memo No. 12611 dt. 1.7.2020 of Principal Chief Conservator of Forests, Forest Diversion and Nodal Officer F.C. Act, to the address of RCCF, Bhawanipatna and copy endorsed to your good office and to us.

Sir,

In inviting a reference to the letter cited above, we submit herewith four sets of hard copies of draft proposals and the required relevant documents from our side for compliance to the observations made by the Nodal officer in course of scrutiny of our proposal.

Para No. IV : Undertaking to produce the FRA 2006 certificate before Stage-II clearance.
Para No. V : KML & shape file of the diverted Forest land in CD form.
Para No. IX : Statement showing justification for not selecting alternative sites for the project.
Para No. XI : KML & shape file of the CA land in CD form.

Finally it is stated that the purpose of the envisaged project has been narrated in Form-A, Part-1 of the DP. Therefore, it is requested to kindly comply the other observations at an early date and to submit our proposal to the Nodal officer for further processing for granting Forest Clearance.

Thanking you,

Yours faithfully

Encl: Four sets of hard copies
of draft proposal

(ix) Alternative sites for the project under justification has not been provided in the DP.

- After detailed study of alternative Layouts for proposed Upper Indravati Pump Storage Project (UIPSP), the present Layout has been selected and finalized basing on the factors maximum output, cost effective etc.
- The said layout was approved by Water Resource Department, Govt. of Odisha vide letter No-16393 dated 29.7.2015 and allowed OHPC to prepare DPR.
- The draft DPR has been prepared and submitted by WAPCOS Limited (The consultant hired by OHPC for Preparation of DPR of UIPSP) and the layout of UIPSP has been finalized in consultation with Central Electricity Authority (CEA), Central Water Commission (CWC) and Geological Survey of India (GSI) of Govt of India.
- As per the norms now there is requirement of excavation of investigation tunnel to test the rock and soil quality along the axis of the Power House for construction of Underground Power house in future after approval of the DPR.
- The location of drift and site of disposal of excavated muck is chosen as per the layout plan, suitability for power intake from existing Upper Reservoir of Upper Indravati Hydro Electric Project, Proposed site for lower reservoir, site of new Power House and as per the site visit of Geological Survey of India (GSI) officials.
- The location of drift site cannot be altered as the layout of the Proposed UIPSP has been finalized and the upper reservoir of UIHEP already exists

Deputy General Manager (EI)
