

Full Title of the Project : SUBMERGANCE OF HATHIADEH MEDIUM IRRIGATION PROJECT TEHSIL KISHANGANJ , DISTT. BARAN

The map displays the Banjh Aamli Forest Block, which is a large green-shaded area. A prominent red diagonal line across the map reads "BANJH AAMLI FOREST BLOCK". The map includes several settlements marked with red squares: B<ori, S<nta, and Maw<deh. A blue dot labeled "Spring" is located near S<nta. Topographic features include contour lines (e.g., 274, 283, 286, 290, 292) and a river labeled "Maw<deh". Roads are shown as red lines, some solid and some dashed. Text labels within the forest area include "Open mixed khair & dh<k" and "Fairly dense mixed khair & dh<k". A red-shaded area in the top left corner is labeled "B< NJ > MLI PROTECTED FOREST".
