

Application for Forest Clearance.

Form-A

**Part-I
(To be filled by User Agency)**

Form for seeking prior approval under Sec-2 of the proposals by the State Govt. and other authorities.

1. Project Details	
(i) Short narrative of the proposal and Project/Scheme for which the forest land is required.	<p>West Bengal State Electricity Distribution Company Ltd. (A Govt. of W.B. Enterprises) having its registered office at Vidyut Bhavan, Block-DJ, Sector-II, Salt Lake, Kolkata-700091 decided for construction of a new 33/11KV Sub-Station along with associated lines at S.T. dominated area near Hoomgarh under Jungle Mahal, in order to meet up growing demand of power of the consumers in domestic, commercial, industrial as well as vast area of agricultural sector. To provide better uninterrupted quality power to the existing low and medium voltage consumers and existing bulk industrial consumers of high voltage system and further for the consumers likely to come in near future.</p> <p>The following public purpose to be served by the proposed Project.</p> <ol style="list-style-type: none"> Low voltage problem will be solved. By shortening of carrying power feeder length rate of line fault will decrease considerably. Short time will be taken in respect of restoration of Power owing to the shorter length of feeder. Loss of power will be minimised thus preservation of energy in natural form (i.e. fuel etc.) will be possible. National and State interest will be served. <p>From this Sub-Station 8400 nos domestic, 1500 nos commercial, 22 nos industrial and 246 nos agricultural connections will be provided with electrical power.</p> <p>Only 1.00 acre (0.405 hectare) non-forest portion of the forest land from plot No. 245 in mouza-Barmesia, J.L.No.234, P.S. Goaltore, Dist. Paschim Medinipur is required for this Project, which is minimum requirement.</p>
(ii) Map showing the required forest land, boundary of adjoining forest on a 1:50000 scale.	Attached at Annexure-I
(iii) Cost of the Project.	Approx: Rs.8,00,00,000/- (Rupees eight crore)
(iv) Justification for locating the project in the forest area.	From the technical point the load centre of the proposed sub-station is located in the mentioned forest area.
(v) Cost- Benefit Analysis.	Details enclosed at annexure-IV
(vi) Employment likely to be generated.	For construction of this sub-station around 10 people will be engaged continuously for 12-15 months. After construction there will be sufficient employment potential. About 25 employees will be appointed/engaged for this S/Stn. Also a considerable employment opportunities will be opened in agricultural and industrial sector by using the electricity.

2. Purpose-wise break-up of the total land required.	1) For control room buildings along with Switch yard-0.50 acre. 2) For open space surrounding control room & switch yard-0.50 acre.
3. Details of displacement of people due to the project, if any:	NIL
(i) Number of Families.	NIL
(ii) No. of SC/ST/Families.	NIL
(iii) Rehabilitation Plan.	NO
4. Whether clearance under Environmental(Protection) Act, 1986 required(Yes/No)	
5. Undertaking to bear the cost of raising & maintenance of compensatory afforestation and/or penal compensatory afforestation as well as cost for protection and regeneration of safety Zone etc. as per the scheme prepared by the State Govt.	Undertaking furnished by the competent authority us enclosed as annexure-V
6. Details of certificates/ documents enclosed as required under the instructions.	<p>Details of certificates / documents enclosed as follows:-</p> <ul style="list-style-type: none"> i) 1:50000 scale GSI maps showing the route alignment of proposed transmission line annexed as Annexure- and forest area on village mapers (scale 16 inch : 1 Mile) at Annexure-I ii) Administrative approval & cost of the project with Annexure-II iii) Comparison of three alternative routes and the justification for locating the project in forest areas in Annexure-III iv) Costs of benefit analysis with Annexure-IV v) Undertaking furnished by the competent authority for Compensatory Afforestation enclosed as Annexure-V vi) Undertaking furnished by the competent authority for payment of Net Present Value(NPV) enclosed as Annexure-VI vii) Certificate of the minimum use of forest area enclosed as Annexure-VII viii) Undertaking furnished by the competent authority for not establishing labour camp in forest area enclosed as Annexure-VIII ix) Statement of comparison-Annexure-IX x) Undertaking in respect of FRA Certificate-X xi) Status report in connection with Proposed Construction-Annex-XI

Certified that all other alternatives for the purpose have been explored and the demand for the require area is the minimum demand for forest land.
