✓ The Divisional Forest Officer,  
Nahan Forest Division,  
Court Road, Nahan,  
Himachal Pradesh 173001.

**Subject: - Diversion of 17.84 Hectare forest land for construction of 132 kV MCT line from 220/132 kV Sub-station Andheri to T-20/21 of existing 132 kV Jamta-KalaAmb transmission line-Compliance to the observations by HPPTCL (User Agency).**

Sir,

This is in reference to the letter no. FC/HPC.71/2023 dated 04.08.2023 vide which observations raised by Integrated Regional Office, MoEF & CC, Shimla at the Parivesh Portal with respect to proposal no. FP/HP/Trans/157184/2022. The point wise reply of same is as follows:

Sr. No	EDS/Observation	Reply to EDS
1.	The ROW of transmission line shall be represented in polygon form. Accordingly KML of diversion area is required to be revised and uploaded in Part-I.	Kml file in polygon is uploaded on Parivesh Portal in Form-A (Part-I-C).
2.	As per DSS analysis in CA site – RF Gumti Shambhawala C-1, out of 24 ha marked 19 ha is available for plantation and similarly at CA site-RF Gumti Shambhawala C-2 out of 11.68 ha marked 8 ha is available for plantation only. Therefore, the KML can be extended towards open forest side. Accordingly KML file of both proposed CA land is required to be revised and uploaded in Part-II.	-

The above case is now being forwarded to the state forest department for taking further necessary action in the matter, please.

Yours sincerely,

  
Senior Manager (Projects),  
HPPTCL PIU Kala Amb.  
Distt. Sirmaur (H.P.).
