Chief General Manager/ PD&C,
UHBVNL, Panchkula.

Memo. No. R-1453/Ch-32/406/K-277

Dated: 15/11/2016

Subject: Creation of 66kV substation Taparian (Raipur Rani) in Kalka Constituency in FY 2020-21.

This has reference to the proposal submitted vide your office letter no. CI-27/Plg-195/AMB dated 10.08.2016 in respect of creation of 66kV substation Taparian (Raipur Rani) in Kalka Constituency. The WTDs HVPNL has accorded the approval on following works as under:

Sr. No	Description	Code
1	Creation of 66kV substation Taparian in village Taparian with 2x12.5/16MVA (66/11kV) and 1x10MVA 66/33kV transformers by HVPNL in FY 2020-21 with provision of two (2) no. 66kV line bays for future. Note: 12.5/16MVA 66/11kV transformers spared from the system may be utilized.	6N3154
2	10MVA 66/33kV transformer approved in FY 2016-17 at 66kV substation Raipur Rani may be kept as hot after the commissioning of 10MVA 66/33kV transformer at 66kV substation Taparian.	-
3	To concur the siting of 33kV substation Morni being fed from 66kV substation Raipur Rani to 66kV substation Taparian by UHBVNL in FY 2020-21. Note: Existing 33kV Raipur Rani-Morni line may not be dismantled. It should be kept as alternate source of supply in case of emergency.	-
4	LLO of one circuit of 66kV D/C Raiwala-HSHDC Barwala line (10.5km approx.) with 0.4"sq conductor at 66kV substation Taparian in FY 2020-21.	6L3155

To include the above mentioned works in the list of works of HVPNL after ensuring financial tie up and HERC approval.

7/11/16 This issues with the approval of WTDs HVPNL on NP-15 of file No. 406/K-277.

Chief Engineer/Planning,
HVPNL, Panchkula
