Dated:-2/08/2021

MUCK DISPOSAL PLAN

It is certified that the works proposed under Proposal No. / File No. :- FP / JK / TRANS / 14378 /21 Dated 29-06-2021 regarding the re-alignment shifting of 132KV CSTL for the four laning of National Highway 44 between Ramban-Banihal section do not involve any earth cutting since in this proposal only cutting of trees is required for stringing of conductor and adequate ground clearance, thus there is no need of earth cutting and consequent disposal of muck.
