**Sub: -Justification letter for Forest Land Diversion.**

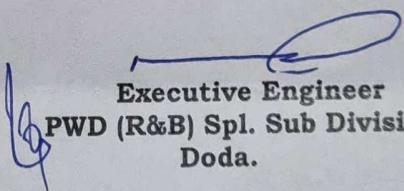

Sir,

Construction of road namely Construction and Upgradation of Bijarni to Lal Draman Link Road under LUP Code LUP2571. The proposed road leading to the targeted habitations of villages namely Kachwa, Shunoo, Kotal, Jugan, Wanipura, Aawanil Sazan etc. benefiting 3000 souls directly is located on the western side of Doda Town at a distance of 20 Kms. There are no worthwhile educational or medical facilities in the area because of absence of road.

The area even though rich in agriculture produce yet the framers cannot get their surplus yield to the market in the absence of road. With the construction of the road, the availability of modern farming techniques is bound to increase the yield of crop. These crops will avail market in Doda which is nearest marketing center. Thus, the construction of the road is bound to usher the area to a new dawn of development, progress and prosperity. All other alternative sites for the proposed Project have been explored and the demand for the required Social Forest land of 1.137 Ha in the Sazan-Lal Draman Tehsil Bhagwah District Doda.

Hence the diversion of the Forest land is only choice to construct the above said road. The report is submitted for further necessary action.

**Yours Faithfully,**

  
Executive Engineer  
PWD (R&B) Spl. Sub Division
