

Certificate no. 7

(No violation of Forest (conservation) Act, 1980/ Guidelines under it – Certificate of Project Authority.)

This is to certify that, Project Authority has started the work of laying of OFC duct within ROW of existing road passing through forest. Violation was done of the Forest (Conservation) Act.1980, or its guidelines.

As the proposed work of the laying of underground OFC cable was within ROW of existing road passing through forest land & Non-forest land. Hence the P.A has started work P.A has stopped work as forest dept. has instructed to stop the work of laying of underground OFC within ROW of existing road passing through forest and also non-forest land .The balance work in this proposal will be started only after Govt. of India accords permission.
