

PART-II**(To be filled by the concerned Deputy Conservator of Forests)**

State serial No. of proposal - JH-030/2020

7. Location of the project/Scheme:	
i) State/Union Territory	Jharkhand
ii) District	Palamau
iii) Forest Division	Medininagar Forest Division
iv) Area of forest land proposed for diversion (in ha.)	133.64
v) Legal status of forest	Protected Forest under Medininagar Forest Division
vi) Density of vegetation	0.25
vii) Species-wise (scientific names) and diameter class-wise enumeration of trees (to be enclosed. In case of irrigation / hydel projects enumeration at FRL, FRL-2 meter & FRL-4 meter also to be enclosed.)	Species-wise (scientific names) and diameter class-wise enumeration of trees annexed as annexure -1
viii) Brief note on vulnerability of the forest area to erosion.	As the canopy density is low so the area is prone to erosion.
ix) Approximate distance of proposed site for diversion from boundary of forest.	0 As it is at the fringe of the Palamu Tiger Reserve
x) Whether forms part of National Park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, etc. (If so, the details of the area and comments of the Chief Wildlife Warden to be annexed).	No
xi) Whether any rare/endangered/unique species of flora and fauna found in the area if so, details thereof.	Unknown
xii) Whether any protected archaeological/heritage site/defence establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.	No
8. Whether the requirement of forest land as proposed by the user agency in col. 2 of Part-I is unavoidable and barest minimum for the project. If no, recommended area item-wise with details of alternatives examined.	Yes
9. Whether any work in violation of the Act has been carried out (Yes/No). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.	No
10. Details of compensatory afforestation scheme:	Not Applicable
i) Details of non-forest area/degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch.	-

ii) Map showing non-forest/degraded forest area identified for compensatory afforestation and adjoining forest boundaries.	-
iii) Detailed compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc.	-
iv) Total financial outlay for compensatory afforestation scheme.	-
v) Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests).	-
11. Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in col. 7 (xi, xii), 8 and 9 above.	annexed as annexure -2
12. Division/District profile:	
i) Geographical area of the district.	504380 ha.
ii) Forest area of the district.	158683.397ha.
iii) Total forest area diverted since 1980 with number of cases.	253.90 ha. in 11 cases.
iv) Total compensatory afforestation stipulated in the district/division since 1980 on (a) forest land including penal compensatory afforestation, (b) non-forest land.	(a) - 450.90 ha (b) - 0.00 ha
v) Progress of compensatory afforestation as on (date) 21/08/2021 on (a) forest land (b) non-forest land.	(a) - 390 ha (b) - 0.00 ha
13. Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons.	annexed as annexure -3

Site Inspection Report

Proposal No : FP/JH/FVC/46701/2020

Name of Proposal : Diversion of forest land of Polpol Kalan PF of Kundri Range, Medininagar Forest Division for Relocation of Kujrum, Latu & other Villages from Palamau Tiger Reserve, Daltonganj, Jharkhand.

Area : 133.64 ha.

Date of site inspection : 18.08.2021

Members of Inspection team :

1. Sri Kumar Ashish, IFS, CF. Territorial Circle, Medininagar.
2. Sri Amarnath Prasad Singh, IFS, DFO, Medininagar Forest Division,
3. Sri Mukesh Kumar, IFS, Dy. Director, South Division, Palamau Tiger Reserve, Medininagar,
4. Sri Ramsurat Prasad, ACF, Medininagar Forest Division
5. Sri Ayush Kumar, Forest Guard, Medininagar Forest Division
6. Sri Ramsirith Kumar, Forest Guard, Medininagar Forest Division
7. Sri Nihal Kumar Singh, Amin, South Division, Palamau Tiger Reserve, Medininagar

Basic Information

The instant proposal for diversion of 133.64 Ha. of forest land has been submitted by Dy. Director, South Division, Palamau Tiger Reserve, Medininagar for resettlement of villages to be relocated voluntarily from Palamau Tiger Reserve. Resettlement of villages from the core area is desirable to create an inviolate area inside Palamau Tiger Reserve to make space for breeding of tigresses, which numbers have gone down drastically in recent years. The area vacated after resettlement of villages are intended to be developed into meadows.

The diversion proposal has been submitted in Polpol P.F. of Kundri Range under Medininagar Forest Division.

Findings of Inspection

The proposed site is situated along SH-09 Bhusar to Mahuadanr. Proposed site falls under Open Forest category. Major tree species found are Palash (*Butea monosperma*), Khari (*Acacia catechu*), Chakundi (*Cassia siamea*), Chilbil (*Holoptelia integrifolia*), Babul (*Acacia nilotica*). Canopy density falls in the range of 0.2-0.3.

Proposed area has presence of commonly found wildlife such as Indian fox (*Vulpes bengalenis*), Golden Jackal (*Canis aureus*), Jungle Cat (*Felis chaus*) etc. It may not have any rare or endangered wildlife.

Terrain of proposed area is suitable for settlement of village. It is having good connectivity with district headquarter. No protected archaeological/ heritage site/ defense establishment or any other important monument is located in the area.

Recommendation

Palamau Tiger Reserve is the only tiger reserve of Jharkhand state and one among the first nine tiger reserves declared under project tiger. The number of tigers has gone down precariously due to various reasons in Palamau Tiger Reserve, non-availability of any large inviolate area being the most important one. Resettling the villages from Palamau Tiger Reserve will make available 300 Ha of area free from human disturbance. Hence, the project is of prime importance for Forest Department of Jharkhand.

The proposed site is situated along SH-09 Bhusar to Mahuadanr. Proposed site falls under Open Forest category. Major tree species found are Palash (*Butea monosperma*), Khair (*Acacia catechu*), Chakundi (*Cassia siamea*), Chilbil (*Holoptelia integrifolia*), Babul (*Acacia nilotica*). Canopy density falls in the range of 0.2-0.3.

Proposed area has presence of commonly found wildlife such as Indian fox (*Vulpes bengalensis*), Golden Jackal (*Canis aureus*), Jungle Cat (*Felis chaus*) etc. It may not have any rare or endangered wildlife.

Terrain of proposed area is suitable for settlement of village. It is having good connectivity with district headquarter. No protected archaeological/ heritage site/ defense establishment or any other important monument is located in the area.

Hence, in the interest of Palamu Tiger Reserve, wildlife conservation goals of Jharkhand Government, the proposal is **recommended**.
