Sub:- Compliance to the EDS sought in respect of Piparwar OCP-43.30 Ha.  
Ref No. :- Proposal no. FP/JH/MIN/41321/2019

Dear Sir,  
The compliance to the query raised in respect of Piparwar OCP-43.30 Ha. is as under:

| Sl No.                 | Query  | Remarks  |
|------------------------|--|--|
| C.(ii).(b).            | Showing no data. KML file needs to be uploaded.  | KML has been uploaded.   |
| M.1                    | Same as previous. As mentioned that proposal is only for reclamation of mind out area, Please consider revising period of proposed diversion at A.1.(x). It should be less than 30 years | Presently the proposal is only for reclamation of mined out area since the mine has already been exhausted. At A.1.(x) the proposal has been revised to less than 30 years |
| M.2,(iii)              | Still not opening showing error. Needs to be re-uploaded.  | Uploaded again.  |
| M.2,(vii)              | KML file of outer boundary has not been uploaded   | KML file of outer boundary has been uploaded.  |
| Additional Information | - Undertaking has been given. Submit authenticated land schedule by revenue official of the project mentioning nature of land as recorded in Khatiyan.                                   | Presently the proposal is only for reclamation of mined out area since the mine has already been exhausted.  |

Thanking you,

Yours faithfully

Ashok Opencast Project, CCL.
